Meet The Team

George Lawrence – Sales Director

E: George@cartershaw.co.uk

M: 07557448523

George began his career with a small independent, Bournemouth based estate agency in 2006. He was a fast learner and very quickly gained the respect and favour of his colleagues and clients. George moved through the ranks at great speed and spread his wings in 2008 in the want to experience the inner workings of a corporate estate agency.

George spent the next few years honing his talents in property sales and relationship-building in the Dorset and Hampshire regions; developing a standard of excellence in his property negotiation skills.

In 2012 George returned to the original agency he began with to help with a transitional restricting period. He has always had a desire to run his own agency and the opportunity came at the start of 2015 with Carter Shaw to set up and run the sales business with Matt Small.

In September 2012 George was featured on the front page of The Sunday Times 'Money Supplement;' he was the main contributor to an article giving advice to millions of potential first-time buyers on 'How to get on the Property Ladder.'

George was born in London but moved to Parkstone at an early age attending Courthill First School and Baden Powell & St Peters middle school, and giving him a sound knowledge of the local area.

Robert Rudge – Sales Manager

E: Robert@cartershaw.co.uk

M: 07955078679

Rob has worked for a large corporate estate agency since 2009 and during that time quickly worked his way up to managing one of their busiest and most successful offices. He prides himself on always providing the best service to his clients.

He has worked in Parkstone for over 7 years and has gathered a wealth of local knowledge. Rob was awarded for his excellent service within estate agency when he was asked to represent the country's largest estate agency groups at their annual awards ceremony. In his private time Rob enjoys spending time with his girlfriend and 4 year daughter.

Design Process in 8 simple steps...

STEP 1

Showroom visit

On your first visit to their showroom you will be able to explore each of their 8 displays; looking at the different door styles, finishes, worktops, sinks, taps and AEG appliances. At this stage you can book your free home visit with their team.

STEP 2

Site survey with designer

Their designer will visit you at home to conduct a consultation where they will measure your kitchen, get more of a sense of the style you are looking for, find out how you use your kitchen and advise on possible solutions. At this stage they will book you in for the presentation.

STEP 3

Initial design and quotation

Following their site visit and discussion about your requirements, their designer uses their expertise to create the kitchen plan and quotation back in their showroom.

STEP 4

Design and quote presented

Held in the presentation area at their showroom, they will run through your plan and quotation on their 40" screen.

Sample doors and tops are readily available to give you a true insight into how your kitchen will look.

STEP 5

Installer visit and confirmation

Once you are happy with everything, they will then need to do a home visit with your chosen installer. Following this visit they will make any final amendments and require a 25% deposit to secure the prices and confirm the order.

STEP 6

Order processing

They will then place your order with all their necessary suppliers.

STEP 7

Kitchen delivered

Upon arrival, your kitchen will be stored in their specialist, dry and secure warehouse facility until they deliver to your home.

The balance payment is due 7 days prior to delivery.

STEP 8

Project completion

Once fitted, your new kitchen is complete and has transformed the most important room in the home; it is there for you to enjoy.

Custom WORLD

EST 1982

Once you have moved into your new home you will want to make it individual to your own needs and will probably consider that you need fitted bedroom furniture.

Custom World is a local company, manufacturing and fitting furniture since 1982. Every piece of furniture is handcrafted in their workshop situated behind the Ferndown showroom.

Custom World is the largest fitted bedroom furniture manufacturer and service provider in Dorset and Hampshire.

They are dedicated to providing a professional and personal service to their past, present and future customers in the design and creation of their bespoke fitted furniture.

Almost 50% of customers last year were existing clients or recommendations – a great sign that when you choose Custom World, you are not only buying into a local independent business, but one who will also go above and beyond to meet your furniture needs and desires.

Take Brian for example, from their design team, **“The best part of my job is being able to exceed expectations. To look at a space and create a storage solution that they couldn’t ever have imagined.”** Brian commented, **“...It’s about creating solutions, beyond the colours and materials.”**

Suzanne (Director) is proud to belong to a company who genuinely cares, **“...I love that we don’t offer a hard sell. We’re here to listen to the needs of our customers and figure out the best possible solution for them.”**

In these days of mass production where furniture companies dominate the market, it is nice to find someone who will take the time to consult with you and come up with the perfect solution for your situation.

Why not contact them at their showroom and arrange for a designer to come and visit your home, or even visit them in Ferndown and see the quality products first-hand whilst enjoying a cup of tea or coffee!

If you need extra storage in your home...

...go and speak to one of their space experts!
