

THE CLUBHOUSE

The year 1977 was described as “one of the most momentous in the history of the club” as Peter Alliss opened the sparkling new clubhouse.

It marked the completion of the successful development of the club, and was the result of a lot of hard work by the members over the years.

The Clubhouse is now an ideal setting to relax over a drink and watch players approach the 18th green and set off down the 1st. A full bar menu is also available with a great range of home made food on offer.

BAR & RESTAURANT

Our Clubhouse, the Congary, offers excellent food and drink to Club members and the public 7 days a week. Whether you are a golfer looking for a light after-round refreshment, or you are out for lunch, our Bar Menu and specials board has something for you.

We also host and cater for private functions; large or small, from birthday parties, to weddings, corporate events, to society meetings. The Congary with its breathtaking views is the perfect venue for you.

The Congary has two rooms; the spacious Main Room, and the cosy Centenary Room, both overlooking the course and the surrounding Manx countryside. The building is all on one floor, there is full disabled access and a disabled toilet available.
