

Once you have decided on the specific area of your home or business that requires attention, they will draw up the plans and submit these to the Local Authority for Planning and Building Regulations.

They have a tremendous amount of knowledge and experience in how these two processes work and know how to satisfy the very demanding and specific requirements of a Local Authority.

They will also prepare the full building specifications needed to obtain competitive prices from various building contractors.

You can also expect them to set out their professional relationship at the start of the commission to reflect your needs.

The objectives of their clients are met by professionalism and maintaining the highest standards of performance, efficiently and economically.

Whatever your building project, Ellis Brown Architects is ready and willing to take your call.
