

**PRINCE**  
CUSTOM WOODWORKING

## Custom woodwork from a consummate professional

There is no surprise that when we move into our new home, we want to stamp our own individuality on it and there are bound to be a number of jobs which need doing which will require specialist skills.

This may be a new kitchen, new wardrobes or gates, it may be something a little more complex like a complete repair or refurbishment.

If this is the type of work you require, you would be well advised to contact Prince Custom Woodworking.

Established in 2010 by Barry Prince, he has a proven record of excellence for all types of joinery and building work and has built up an excellent reputation in the area.

After training as a cabinet maker, Barry has applied his skills to many different disciplines, gaining knowledge along the way.

When you contact Barry, you can expect to receive all the advice and guidance you will need.
