

J Lee for all your Plumbing and Heating needs

J Lee Plumbing are a locally based company with countless years of knowledge and experience.

Jack Lee who owns and runs the business is friendly and responsive to his customers needs. He appreciates the fact that a great deal of his work comes from personal recommendations which speaks volumes for the standard of his work.

Being "Gas Safe" registered means that you can have complete faith in all work carried out and one telephone call will ensure that you will receive all the assistance, advice and guidance you require.

The business offers the home owner a complete service from design and advice, modernisations, boiler servicing repairs, replacements and full gas central heating installations.

In addition to offering a full and comprehensive service regarding gas, the business carry out plumbing repairs and maintenance and provides their customers with a wide range of services.

They are fully qualified to carry out Gas Safety Inspections which are a legal requirement for all landlords and they are qualified in all aspects of natural gas.

Legislation concerned with gas has recently changed and the Local Authority Building Control will have to be informed when relevant gas work is undertaken.

This includes the installation or exchange of central heating boilers. Work must be carried out by an approved installer. J Lee Plumbing have all the relevant approvals and certification.

All work is fully guaranteed and they offer a free survey and quotation service. Gas is dangerous and it is better to be safe than sorry when it comes to anything to do with it.

Your gas, plumbing and heating can sometimes cause no end of problems, however, rest assured J Lee Plumbing are just a phone call away and are always pleased to assist you from a simple repair to a full Central Heating Installation.
