

## WHO SHOULD I USE TO MOVE HOME?

Moving home can seem a daunting prospect for many of us, however, the actual move can be left in the hands of a company that you can completely trust to do the job properly.

This family run business is J.H. Apsee & Sons based in Bridgend. The company has all the skills, equipment and experience you will ever need plus over 50 years in business.

They offer their services to both domestic and business clients and can move a whole home or just a single item. One of their areas of expertise is in the safe removal and transportation of unusual and fragile items.

They offer a full packing service or can, if you wish, just supply the packing cases so that you can pack yourself. The company can deliver locally, across the United Kingdom, or even, arrange removals further afield if required.

Once you have made your enquiry, you can expect to receive all the help and guidance you will require, together with a free of charge consultation and quotation.

All their staff are full time, trained and accredited. They appreciate they are dealing with your personal possessions and ensure this is handled in the right way.

There are occasions when there is a gap between moving out and moving in and you may have to store all or part of your belongings.

J.H. Apsee & Sons have the answer and can arrange storage in their own secure storage facility, whether this is on a short term or long term basis.

They also offer containerised storage complete with a full inventory. This means all your possessions are sealed at source and stored away until you need them.

This is useful if you wish to de-clutter your home for decorating or whilst selling.

This solution is ideal to businesses who may wish to archive or store records or equipment. Why pay expensive rent in an office just to keep records you rarely use, when they can be safely and securely stored for a fraction of the cost.

For all your storage, removal and specialist needs you should contact J.H. Apsee & Sons. They have the experience to make sure everything goes to plan.
